Office of Petitions
P.O. Box 1450
Alexandria, VA 22313-1450
U.S.A.

Dear Sir,

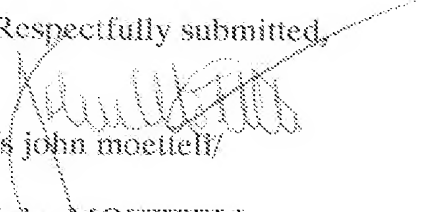

Upon routine inspection of the file, the patentee has noticed that a document was filed by a third party on January 4, 2001 and entered in the file.

Applicant petitions the Commissioner to remove this document from the public record on the grounds that no legal basis exists for such filing. Further, the Commissioner is asked to remove this petition from the public record at the same time.

Applicant believes that no fee is due for this Petition as it appears that the entry of this document is an error of the patent office. If the Commissioner disagrees, he is authorized to debit the deposit account of Moetteli & Associates No. 50-2621.

If there are any questions, the Office is invited to contact the undersigned at moetteli@patentinfo.net or at 011-4171-230-1000 or fax at 011-4171-230-1001.

Respectfully submitted,

/s/ john moeteli/
